## Our Direct Donation Drive has begun

Our [fundraising goal this year is \\$124,000](#). We need your help to support all of FSK's great programs, events, and dedication to innovation. We are looking to every FSK family to please contribute what you can to help make our school the very best it can be for your children and every one of our 560 students!

The best way to support our school is to [Donate directly to our FSK PTA fund](#) and support your child's education and enrichment. **We are asking those families who are able to contribute \$300 per student or \$600 if you have multiple students at FSK.** Your donation funds computer software licenses, our Outdoor Science/Garden teacher, staff professional development, grade-level and classroom funding, garden supplies, fun & safe events for our community, and much more!

Did you know that your donations support our teacher grade-level funding, classroom supplies, staff professional development, technology, garden supplies and outdoor science education, and more? Support for our public school is more important than ever!
