It's that time of year...Halloween is almost here!!! 🎃 Students will see fun Halloween activities in their SeeSaw inboxes soon, thanks to the amazing creativity of Nicole Selçuk and Shari O'Neill. Thank you all for encouraging your students to enjoy movement activities during our first Move-A-Thon...we'll announce prize winners very soon! Please keep reading for all the updates on our wonderful community. ## Move-A-Thon ~ Prizes

We're very happy to see many of our students submit their trackers and have their families [pledge donations](#) to our school! Top 3 prizes will soon be announced! We hope everyone enjoyed Spirit Week from Oct 20-23! A BIG THANKS to our event Co-Chairs, Katie Gaertner and Lisa Rockefeller, and the team ~ Monique Pflager, Emily LaTourrette and Jennifer Hedayati. We're grateful for all the class leaders and hosts who provided fun, FREE classes. We are thankful to our donors and sponsor for supporting FSK!

## Sloat Garden Center - Growing up Green Fundraiser

When you shop at any Sloat Garden Center location and **mention FSK** at checkout, 10% of your purchases will be donated to the school in the form of a gift card. The next fundraiser runs 10/23-11/1. This is a great way to support our Outdoor Classroom/Garden. Thank you!

## Our Direct Donation Drive ~ Support our School

We are looking to every FSK family to please contribute what you can to help make our school the very best it can be for your children and every one of our 560 students! Please support your child's education and enrichment. We are asking those families who are able to contribute \$300 per student or \$600 if you have multiple students at FSK. Please select an amount which works best for your family and that you're able to give at this time. Every dollar counts! [myfsk.org/get-involved/donate/](http://myfsk.org/get-involved/donate/)

## Halloween Activities

Our extraordinary Halloween Co-Chairs, Nicole & Shari, have been working hard with our educators & staff to prepare several virtual Halloween activities for all our students. Please make sure your student checks their SeeSaw assignments for some safe, spooky fun!

*Wishing you all a safe & Happy Halloween!* 🧛

## Fun Science Experiment: Jack-O-Cano

Have fun with science this Halloween. Grab a small pumpkin and a few household ingredients to do this fun science experiment at home. Check out the website below for more information. When you join a base (baking soda) and an acid (vinegar) together you create a chemical reaction where carbon dioxide is created and released. This, in a large quantity, creates a bubbly burst or eruption. In a pumpkin, it's super cool - try it out!
