Our Direct Donation Drive ~ Support our School

Our fundraising goal this year is \$124,000 so we may support all of FSK's great programs, events, and dedication to innovation. We are looking to every FSK family to please contribute what you can to help make our school the very best it can be for your children and every one of our 560 students!

Did you know that your donations support our teacher grade-level funding, classroom supplies, staff professional development, technology, garden supplies and outdoor science education, and more? Support for our public school is more important than ever!

SUPPORT FSK

Give today at bit.ly/fskdonate

myfsk.org/get-involved/donate/

Donate directly to our FSK PTA fund and support your child's education and enrichment. **We are asking those families who are able to contribute \$300 per student or \$600 if you have multiple students at FSK.** Contribute a donation amount for the year **or** set-up a recurring, monthly donation that will continue all year. Please select an amount which works best for your family and that you're able to give at this time. Every dollar counts!
