Our Direct Donation Drive ~ Support our School

Our Donation Drive is the most direct way to support our school! We have raised \$41,500 so far and would like to reach our \$124,000 goal for the year. We are looking to every FSK family to please contribute what you can to help make our school the very best it can be for your children and every one of our 560 students! We are **asking those families who are able to contribute \$300 per student or \$600 if you have multiple students** at FSK. Or, please select any amount that works best for your family and you're able to give at this time. Every dollar counts!
