Principals' Special Message ~ Ms. Kasner & Ms. Page

This week, as we compose our message to you all, we do so with a heavy heart. Many of you are aware of the brutal violence and racism that has been taking place against the AAPI (Asian American Pacific Islander) community across the nation. We send our love and strength to all the families who have been affected by these hateful acts. We know that acts of racism against marginalized groups are nothing new and we cannot continue to remain silent. As a community, we must stand together and lift up our voices to speak up against such hate and bigotry. At FSK, we value the partnership between home and school and understand how extremely important it is to continue pushing ourselves to engage in dialogue that sometimes may feel uncomfortable. We must commit to teaching our kids to lead with love, compassion and acceptance. While we are excited to welcome our students and families back to school, we stand in solidarity with our AAPI brothers and sisters and condemn any acts of violence, racism, bullying and hate. Our top priority is to create a safe and welcoming environment for all our students, staff and families. *We ask for your help to support each other and take care of each other. Thank you!*
